

Earth Book - Your students will enjoy making this book and taking it home to share with their families. It will work best if you make one or two pages each day and then assemble your book on Friday.

You will need to cut 8" squares of the following colors: 2 orange, 1 green, 1 blue, 1 yellow, 1 brown, 1 purple.

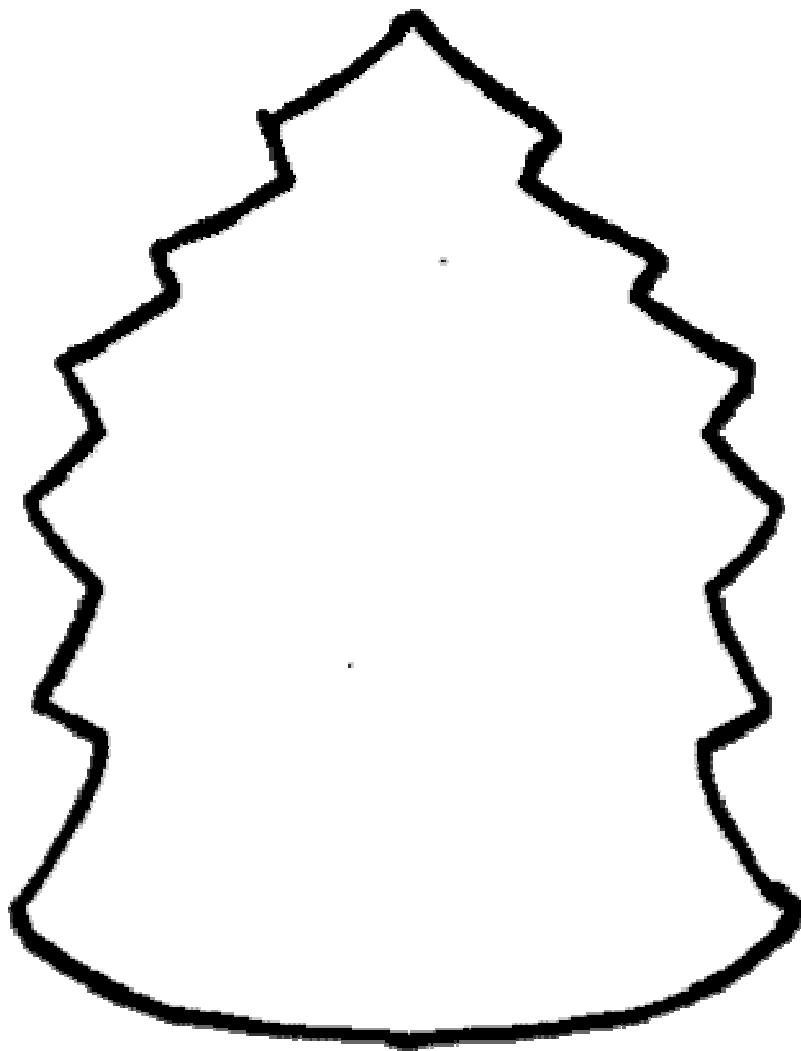

This book accompanies Dr. Jean's Monthly Activities for April 2008. Visit <http://drjean.org/> for more information.

The Earth Book
